Dear International Students,

Please be informed that international students are still **NOT PERMITTED** to return to Malaysia. You are advised **NOT TO** make any travel arrangements until further announcements from the International Office (IO).

We will be informing you the procedures to travel back to Malaysia as soon as official guidelines from the relevant government authorities are announced. Please take note that student arriving without complying to these travel guidelines will be *refused entry* into Malaysia and will be asked to **return immediately** to the port of departure.

Kindly complete the form in the link provided to keep IO informed of your current location and travel plans for the coming semester. Please also complete this form even if you are choosing to remain in your home country in the coming months.
